

This diagram shows a cross-sectional view of a substrate assembly. It consists of a base layer (2) with a patterned top layer (7) and a middle layer (9). The top layer (7) has a series of raised, trapezoidal features. The middle layer (9) is positioned between the top layer (7) and the base layer (2). The base layer (2) is divided into regions labeled 6, 3, 6, 8, and 6. A label 50 points to the top surface of the raised features in the top layer (7).
